Red symbols denote internal characteristics (inclusions). Green or black symbols denote external characteristics (blemishes). Diagrams are an approximate representation of the diamond, and symbols shown indicate type, position, and approximate size of clarity characteristics. All clarity characteristics may not be shown. Details of finish are not shown.

This Report is not a guarantee, valuation or appraisal and contains only the characteristics of the diamond described herein after it has been graded, tested, examined and analyzed by the laboratory printing this Report. ("GIA") neither has been inspected using the techniques and equipment used by GIA at the time of the examination and/or inspection. Inclusions reported in this document are not a guarantee, valuation, or warranty of a diamond's quality, clarity of origin or source, or that the diamond will be identifiable by the inscription in the future (since inclusions can be removed). GIA makes no representation concerning any treatments, heat, or symbol which is described by GIA or which is identified in this Report. The recipient of this Report may wish to consult a professional jeweler or gemologist about the information contained herein.
