Red symbols denote internal characteristics (inclusions). Green or black symbols denote external characteristics (blemishes). Diagram is an approximate representation of the diamond, and symbols shown indicate type, position, and approximate size of clarity characteristics. All clarity characteristics may not be shown. Details of finish are not shown.

The Report is not a guarantee, valuation or appraisal and contains only the characteristics of the diamond described herein after it has been graded, tested, examined and analyzed by the laboratory providing this Report ("GIA") and/or has been inspected using the techniques and equipment used by GIA at the time of the examination and/or inspection. Inclusions reported in this document are not a guarantee, valuation or warranty of a diamond's quality, country of origin or source or that the diamond will be identifiable by the inclusions in the future (since inclusions can be removed). GIA makes no representation concerning any trademark, word or symbol which is inscribed by GIA or which is identified on this Report. The recipient of this Report may wish to consult a credentialed jeweler or gemologist about the information contained herein.
