This Report is not a guarantee, valuation or appraisal and contains only the characteristics of the diamond described herein after it has been graded, tested, examined and analyzed by the laboratory producing this Report ("GIA") and/or has been recorded using the techniques and equipment used by GIA at the time of the examination and/or inscription. Incriptions reported in this document are not a guarantee, valuation, or warranty of a diamond's quality, country of origin or source, or that the diamond will be identifiable by the inscription in the future (since inscriptions can be removed). GIA makes no representation concerning any trademark, word, or symbol which is inscribed by GIA or which is identified on this Report. The recipient of this Report may wish to consult a professional jeweler or gemologist about the information contained herein.

The security features in this document, including the hologram, security symbols and ultraviolet lines, are visible in three of these states. Always inspect security features carefully.
